

THE TED SCALES MEMORIAL TROPHY is the magnificent prize for which Pretoria and Cape Town will play in the final of the South African Universities rugby knock-out competition at Loftus Versfeld on Wednesday. The trophy, which is to become a floating one for annual competition, was handed over to Mr. Janusz le Roux, president of the Transvaal Rugby Football Union, by Mrs. Peggy Scales, widow of the late Mr. Scales, in honour of the memory last night. The TRFU has organized the competition since it was introduced in 1964.
